

Concessions

Concessions Worksheet – Setting Goals

Vision:				
Greening Targets	Baseline	Goals		
		Short-Term (0-1 year)	Mid-Term (1-5 years)	Long-Term (5 years +)
Compliance	Are concessioners currently in compliance with applicable environmental regulations and policies? What areas needing improvement? What is the status of response to environmental audit, if any? Is an environmental audit planned, if none exists?			
Contracts	Do any current contracts incorporate new environmental language? What is the schedule for new contracts? What is the status of Environmental Management Programs required in contracts?			
Planning	Are concessioners involved in park planning processes?			
Recognition	Have any of the park's concessioners been recognized for environmental efforts and achievements?			
Cross-Cutting Goals				
Education/ Interpretation	Is there any interpretation of green concessions programs and activities?			
Training Needs	Is there a need for training for concessioner staff on green topics?			
Procurement	What is the status of green purchasing by and for concessioners?
